Jim/Pete

Attached are proposed notes for our last coordination meeting.

These need to be cleaned up a bit, but before I did that I wanted to get your input as there are a couple of line items that I don't have info for and I thought I would check in with you to see if you had anything in your notes.

Jim. I will be leaving here early today, but will give you a call in the morning tomorrow to discuss next steps at Grumman (meetings etc).

Thanks
